

Morello / ALABASTER

DOOR OPTIONS

Alabaster

Brushed Aluminium /
Frosted Glass

Morello is a progression of the popular 'cushion' style slab door, brought up-to-date by combining sharp horizontal bevels and subtle vertical serpentine curves.

Doors and drawer fronts are manufactured from an 18mm MDF core (with bevelled top and bottom edges and softly contoured vertical edges) covered by a new Alabaster colour PVC foil.

Glazed doors use brushed aluminium finish metal frames with frosted glass.
