## DOOR OPTIONS

Alabaster

Alabaster / Frosted Glass

Arcadia uses gentle curves and simple groove detailing to capture the spirit of understated tradition, the pale Alabaster tones completing the relaxed and cordial atmosphere.

Doors and drawer fronts are manufactured from an 18mm MDF core (with routed edge detail and grooved panel effect) beneath a smooth Alabaster colour PVC foil.

Glazed doors are similar in style to standard doors but instead have a central glazed aperture (incorporating a curved top) with frosted glass.
