

# Barolo / APPLE

## DOOR OPTIONS

Apple

Apple / Frosted Glass

Brushed Aluminium /  
Frosted Glass

The satin touch. Barolo combines wood effect 'cushion-style' doors with aluminium effect finishing touches.

Door and drawer fronts are machined from 18mm MDF and given soft bevelled edges, these are then enveloped with a smooth satin finish Apple wood-grain effect PVC foil.

Carcass and plinth available in matching Calvados wood-grain effect MFC.

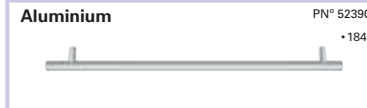

Standard glazed doors are Apple frames with a central aperture fitted with frosted glass. Optional brushed aluminium/glass doors are also available.

The total effect is a satisfying combination of warmth and modernity.
