

Laconia / CALVADOS

DOOR OPTIONS

Calvados

Calvados / Frosted Glass

Brushed Aluminium /
Frosted Glass

Available in a choice of Calvados or Pear woodgrain effects, Laconia is classic and simple in style, yet innovative and sophisticated in construction.

Door frame components and 1-piece drawer fronts are from foil-wrapped MDF and feature a unique 'seamless' finish. The wide-framed doors are 5-piece, incorporating a matching flat 9mm thick MDF centre-panel. Complete doors and drawer fronts are finally sealed with a generous coating of clear satin lacquer.

Standard glass doors have matching Laconia style door frames fitted with frosted glass. The option of brushed aluminium metal frames with frosted glass is also available.
