Aluminium Effect Frame  
& Handle/Frosted Glass

Spotlight is the star of the show featuring an ultra high gloss finish in 8 colourways and 2 super matt woodgrains providing exciting opportunities for dramatic contrasts.

There is a choice of chrome and brushed nickel finished handles to complement the range.

High gloss doors and drawers are made from 18mm MFC edged with high gloss lipping and finished with a coating of high gloss clear lacquer.

Carcasses are metallic colour both inside and out.

Glass doors have an aluminium effect frame with frosted glass as standard.
